THE BREEZE

COMMODORE EARL'S NOTES....

Forget about it! Forget about 50/50 raffles, forget about reverse raffles and for those of you who just know forget about Billy Bum Darts. We have just stumbled across the best fund raiser and hell raiser activity known to boaters. Thanks to Mary Barnish, Jane Bacha and Lady Faythe we now have the Cleavage Quarter's Cup Game and only WWYC could possibly have as much fun with our own version of Boater Olympics. For those of you who were not able to attend our 1/2 Way To Launch Party we had a ball.

Many thanks to R/C Frank Soltez, WWYC 1st Mates, Kristy's Tavern and of course Bar server Lisa Mannion for putting on another great party that I know I won't forget for a while. The food was fabulous the drink ever flowing and the friendship perfect to give us a little break from the cabin fever during these winter months. So next year if your not out of town or your calender is empty you better come to the party, otherwise you will again miss out on a great time.

If you have sent in your payment for the upcoming season great, if not do yourself a favor and do so or be sure to call P/C and Financial Sec. Greg Sattler. The longer you wait the more you will pay.

Have a good time shoveling, blowing or plowing your way through March and I hope to see you at our March 8Th meeting. So Long for now.

REAR COMMODORE Frank Soltez

Half Way to Launch Party: Attendance was low but the level of fun and energy was high. As usual the food was excellent, the service great and the drink glasses were never empty, thanks to Lisa. New games were invented that were interesting to watch and encouraged audience participation. Blarney, the restaurant leprechaun had his hands full with a group of lady wrestlers. I have to say that it looked like the Ladies had the upper hand, although Blarney didn't seem to mind. The half way to launch party was a fun training exercise for all the summer events to follow. A special thanks to Jane Bacha for her help in storing and transporting some of the liquid refreshments we all enjoyed. Both Jane and Nancy were instrumental in strong-arming and accounting for the payments members made. Thank you for your help.

Remember as the snow melts don't put those Christmas decorations away, you need to save and plan how to use them at this years' regatta "Christmas in August". It is one thing to be lit up like a Christmas tree at the regatta versus actually dressed like one.

Notice also that our club calendar is attached to this month's Breeze. The Wiener Run date is noted, however, I was told that the boats were planning to go west to Vermillion and consequently would not arrive in our Port. Let's hope that they change their minds and remember the hospitality WWYC extended last year. Look for the calendar to be posted on our Web site soon.
