COMMODORE SCOTT'S NOTES....

Congratulations to Jacob Bulk for putting on a great halfway to launch party! We had a large turnout and everyone had a great time. Just think...in just 7 short weeks the plumbing crew will go to work to get the club ready to open. There is a lot of work to be done this spring so if you do not already have a job assignment or need work hours, please contact the house chairman to assign you to a crew or find a job that needs to be done.

I would like to see a bigger turnout at the meetings which are held in the basement of the Lithuanian Club on E. 18th Str. We need to see some new faces as the meetings and have members become more involved. Spring is only four (4) weeks away so it won't be long!

VICE-COMMODORE Frank Soltesz

With the Half Way to Launch Party behind us the 2011 boating season has begun. Thank you Jacob Bulk and the First Mates for making the party possible and to all who attended making this a successful, fun event.

Now is the time to think fun in the sun as you get all of your detailing supplies together for the task of putting your boat in ship shape. Remember the technique? "Wax on wax off".

Look for our calendar of events to be posted soon.

REAR COMMODORE Jacob Bulk

"The Half Way to Launch" party was a rousing success, everyone seemed to enjoy themselves (and even if they didn't they at least pretended to). I'd like to thank Jane, Doreen, and Lisa for all their help in making it such a successful evening. Just think the next gathering will be at the club in just over two short months."

FINANCIAL SECRETARY P/C Greg Sattler

Be on the lookout for your WWYC dock billing. They will be sent out this week and are due April 1st. Along with the bill I will be sending out the 2011 WWYC membership cards, activity tickets and Commodores ball ticket. If you have not yet paid your 2011 membership dues which were due Jan. 31 you **will NOT** receive a membership card and **will not** be allowed to keep your dock until ALL payments have been made. Also, a few members have paid their dues but did not return a dock request card. We do not know if you are keeping your dock if we don't have a dock request card. Please make sure you returned your cards if you are keeping your dock. Thanks
